The background of the page features a dark gray field with a pattern of light gray dots. These dots are arranged in a grid that recedes into the distance, creating a strong sense of perspective and depth. The dots are slightly blurred, giving the impression of a distant horizon or a vast, structured space.

The National Association of Insurance Commissioners (NAIC) is the U.S. standard-setting and regulatory support organization created and governed by the chief insurance regulators from the 50 states, the District of Columbia and five U.S. territories. Through the NAIC, state insurance regulators establish standards and best practices, conduct peer review, and coordinate their regulatory oversight. NAIC staff supports these efforts and represents the collective views of state regulators domestically and internationally. NAIC members, together with the central resources of the NAIC, form the national system of state-based insurance regulation in the U.S.
